The background is a traditional Japanese marbled paper (nishiki) pattern. It features swirling, organic shapes in shades of pink, light grey, and dark grey. Scattered throughout the pattern are small, irregular gold-colored specks, giving it a textured, shimmering appearance.

# PAPER MOCK-UPS

The image shows two paper mock-ups for a book. The larger mock-up is a book cover made of light brown cardboard, with a white paper strip attached to the left edge. The smaller mock-up is a book spine made of white paper, featuring a blue grid pattern and a series of small holes along its length. The text "PAPER MOCK-UPS" is centered over the image.
